Architectural Series Diamond Crystal

Discover the superior qualities of MOKAY Diamond Crystal architectural coating. Engineered for high-temperature insulation and fortified with anti-fungal properties, it offers exceptional durability, crack and weather resistance. Our non-toxic and environmentally friendly formula ensures peace of mind while easy maintenance and stain resistance make upkeep effortless. Elevate your space with MOKAY Diamond Crystal – the epitome of performance and sustainability.

The secret to its unparalleled performance lies in each individual sand particle. Uniform in color and size, these sands create a tight and resilient finish, reminiscent of the durability of ceramics. Say goodbye to cracking, folding, and color fading – MOKAY Diamond Crystal ensures long-lasting vibrancy and strength.

Elevate your space with a coating that's as unique as it is resilient. Explore the extraordinary world of MOKAY Diamond Crystal – where durability meets sophistication.

A modern architectural scene featuring a dark, textured wall with a repeating pattern of small, irregular shapes. In the foreground, a long, rectangular concrete water trough with a central faucet is set on a light-colored tiled floor. To the right, a long window with black frames runs along the wall, and a planter box with green plants is visible. The sky is a pale, overcast grey.

Product Highlights

Outstanding Flexibility & Elasticity

Engineered with advanced formulations that provide exceptional flexibility and elasticity.

Outstanding Strength

Built to withstand daily wear and tear, our products boast excellent strength, making them scratch and impact resistant for enduring performance.

Crack & Weather Resistance

Our products are engineered to withstand the harshest weather conditions, ensuring long-lasting durability and structural integrity.

Environmentally Friendly & Non-toxic

Committed to sustainability, our products are crafted with non-toxic materials, promoting a healthier environment for both users and surroundings.

Stability & Color Retention

Enjoy peace of mind knowing that MOKAY products maintain their vibrant colors over time, thanks to their stable composition and advanced color-retention technology.

Stain Resistance & Easy Maintenance

Say goodbye to tedious cleaning routines with our stain-resistant surfaces, designed for effortless maintenance and lasting beauty.

Anti-fungal Properties

Maintain a hygienic environment with our products' anti-fungal properties, ensuring protection against mold and mildew growth.

Heat Insulating Properties

Experience enhanced comfort and energy efficiency with our products' exceptional heat insulating properties, keeping interiors cool in summer and warm in winter.

Versatile Decorative Options

Elevate your space with endless decorative possibilities, as our products offer multiple finishes and textures to suit any aesthetic preference.
