Preparation:

- Ensure the Glitter Paint is well mixed.
- Make sure all areas are clean and dry before application.

Application:

- Apply with a paintbrush using long strokes for a more even finish.
- Load the brush and spread the paint evenly across the surface, separating any clumps of glitter as you go. Push the product out of the brush until the brush is dry to avoid any runs.
- **Drying time:** 2 hours; **Touch dry time:** 30 minutes; **Recoat time:** 1 hour
- Ensure good ventilation and housekeeping at all times.

Testing:

Familiarize yourself with the product by testing on a small area and allowing it to dry before painting the full area.

Product Details:

Type: Water-based Glitter Paint
