— COATING EXPERT —

Architectural Series Sand Stone

Architectural Series
Sand Stone
ST-2826

Edition 03 / 20260723

The background of the advertisement is a photograph of a building's exterior. It features a wall with a fine, pebbled texture. On the left, there is a window with dark metal bars. To the right, a portion of a wooden door with vertical panels is visible. The lighting is dramatic, with strong shadows and highlights that emphasize the texture of the wall.

Architectural Series

Sand Stone

Introducing MOKAY® Sand Stone, a meticulously crafted water-based coating system that redefines simplicity with exclusivity.

With its versatility, Mokay® Sand Stone allows for a variety of effects, effortlessly elevating the value of any building. Not only does it offer strong bonding strength, but its easy application ensures a seamless process from start to finish.
